

Texas Association for the Education of Young Children

TXAEYC Vice President of Membership: Carolyn Callahan

I'm Carolyn Callahan and currently serve as your TXAEYC Vice President of Membership. In this role, I serve as the third ranking officer which is responsible for planning, organizing and directing a program that ensures individual member retention and growth in our organization membership. During the day, I am the Education Coordinator for Head Start of Greater Dallas. I'm responsible for planning and conducting training for all teaching staff. I help organize education events for staff, children, and parents. I help create new policy to help hire, train, and retain teachers in our agency. Therefore, I'm the perfect fit to continue as your VP of Membership.

The goals I have for my next term are to increase membership and member involvement in programs and workshops hosted by TXAEYC. I plan to explore opportunities for TXAEYC to partner with public and private organizations that share our commitment, and also establish programs that promote growth of members in early childhood fields. I will reach out to every chapter and Texas student organizations to promote TXAEYC, which will lead to an increase in the areas of student memberships and participation in our local chapters. I would also like to implement a bi-annual conference call or meet with all local chapter leaders to strategize on ways to continue a high rate of member retention while also focusing on increasing membership. I look forward to my continued work with you as your VP of Membership.
