

**Director of Camp Fire Child Development Center and
Demonstration/Lab School
Camp Fire First Texas
Fort Worth, Texas**

Our Promise Young people want to shape the world.
Camp Fire provides the opportunity to find their spark, lift their voice, and discover who they are. In Camp Fire, it begins now.

Light the fire within POSITION: Director for Camp Fire Child Development Center and Demonstration/Lab School

DESCRIPTION: Camp Fire First Texas seeks a Director for our Child Development Center—a premier, high-quality early education program that acts as a demonstration or lab school for the community. This position is a good fit for an experienced Director at a point in their career that they are ready to influence community early education quality through the use of the demonstration/lab component of this work.

Responsibilities: Include managing the daily operations, maintaining high-quality through low-ratios, teacher development and best practices implementation, and contributing to the continued development of the program as a demonstration preschool.

MINIMUM QUALIFICATIONS:

- Bachelor's Degree in ECE/CD or related field
- Experience in budget, project and personnel management
- Computer literate
- Strong leadership, presentation and communication skills
- Knowledge of early care and education principles, practices and trends in the field
- Project management and ability to align systems between programs
- Minimum of three years managing a licensed child care center
- Knowledge of research and trends in professional development in the field of child care
- Knowledge of the NAC, NAEYC accreditation, or similar child care accreditation process

PREFERRED QUALIFICATIONS:

- Master's Degree in ECE/CD or related field
- Experience with multi-site management or multi-project management
